Wyoming	Adopted	Integrated	●	●	●	●	●	■

● Fully Addressed The book directly teaches this topic through dedicated chapters and life hacks.

■ Partially Addressed The book covers key concepts in this topic, but not the full scope of the standard (e.g., Topic I: Earning Income; Topic VI: Managing Risk).

Required State mandates a standalone personal finance course for graduation.

Adopted State has adopted standards or integrated requirements, but no standalone course mandate.

Elective State offers personal finance as an elective only; no graduation requirement.
